# Photography policy

## Children & Vulnerable Adults

We require consent from parents/guardians to photograph children and vulnerable adults in our classes. Anyone not supported by this consent will be excluded from class photos. Consent for children is provided via the registration forms used for our ACS Martial Arts, ACS Mini Ninja and ACS Ninjatyke registration forms.

All photographic material will only be used by ACS MAGFA (and other ACS services) for advertising purposes either, printed or for digital use on social media platforms and ACS designated websites.

## Adults

We require no such consent for adults other than those considered vulnerable, and any photographic material acquired during any adult session will only be used by ACS MAGFA (and other ACS services) for advertising purposes either, printed or for digital use on social media platforms and ACS designated websites.

Any adult participant, in any adult class, is required to accept approval of this photographic policy by default.

If this policy does not meet with your approval, then you will not be permitted to participate or acquire an ACS MAGFA affiliated membership.
